

# Concepts Discretionary Investments (CDI)

## Future Progressive Portfolio

28<sup>th</sup> February 2025

**Objective:** To provide a broad, balanced and diversified exposure to Investment markets, by investing in a range of Active and Passive funds that aim, where possible, to meet the agreed sustainability goal of the portfolio. The portfolio will invest in Global and UK Equities (up to 80% by weight), Fixed Interest Securities, Property and Infrastructure. The aim is to produce capital growth over the longer term, with a modest level of natural income.

**Target Market:** This portfolio is suitable for investors with a time horizon of 5 years or more who are willing to accept Medium to Medium/High levels of investment risk in return for the potential for participation in rising investment markets. This fund is designed for investors who can afford more than a modest loss of their investment.
